## Some Fairy Tale Activities:

Fun things to do together:

\* Gather with your friends or your family. Someone start a story. Then when they are ready, the person passes the story on to the next person who continues the story. "Once upon a time.." is a great place to start!

\* Have your mom or dad get a box of shoes together. Have them put only one shoe in the box without a pair. This is "Cinderella's slipper." Go through the box to see if you can figure out which one is the slipper. You can also have your mom or dad hide a "slipper" and give you "fairy tale" clues in order to find it.

\* If you have some seeds or beans, you can plant the "magic" beans or seeds in the ground, pot, or cup to grow your own beanstalk.

\* See if you can make a castle (with your parents' permission) out of marshmallows or other snacks.
