A Car and Truck Song:

“Wheels on the Car”

The wheels on the car go round and round round and round

The wheel on the car go round and round all day long

The rain on the windshield goes drip drop...

The door goes open and shut...

The babies go wah, wah, wah...

The mommies go shh, shh, shh...

The daddies say "I love you"...

The horn goes beep, beep, beep...

The wipers go swish, swish, swish...

Some Car and Truck Activities:

-Ask your child to help you decorate a big cardboard box as a car and then let them pretend to take a drive in it!

-Show your child a map and ask them to point to where they would like to take a road trip sometime. Then, ask them to use their finger to trace how you'd get from here to there

-Draw on a sidewalk with chalk a road for your child to drive their toy cars on. Include a stop sign and intersections, too, if you like.

Early Literacy Tip:

Label some items in your home your child uses regularly and practice saying the words together.
