An Airplane Song:

"Little Airplane" (Tune of: "I'm A Little Teapot")

I'm a little airplane, *(raise arms at sides to shoulders.)*

Now watch me fly!

(They spin one of arms in front as if it were a propeller)

Here are my instruments

From down low to up high.

(With other arm, reach from the ground to above heads.)

First I get revved up. *(make engine noises)*

Then I can fly, *(raise arms to shoulders)*

Lifting off the runway *(start walking forward)*

Up into the sky!

Some Airplane-related Activities:

-Pretend to be airplanes flying! Making your own flying sound effects are encouraged!

-Set up some chairs to look like seats on an airplane. Pretend to be different people on the airplane like pilot, flight attendant, etc. If you'd like, make your own costumes using clothes and accessories you already have.

-Go on an airplane "scavenger hunt" and see if you can find a plane in the sky or the white lines that show where airplanes have been. If you can't find any planes, look for birds and talk about how birds and planes are alike.

Early Literacy Tip:

Allow yourself the freedom to read your child's favorite books over and over again if they ask you to.

Make it more enjoyable for you and helpful for them by changing how you read it every time. One time, speak in a funny voice, another time use a puppet!
