### Ten Little Apples

One little, two little, three little apples,  
Four little, five little, six little apples,  
Seven little, eight little, nine little apples,  
Ten little apples growing on the tree.  
One little, two little, three little apples,  
Four little, five little, six little apples,  
Seven little, eight little, nine little apples,  
Ten little apples picked from the tree.

## Early Literacy Tip:

Clap out the syllables in a word when you teach it your child. For instance we're going to the li-brar-y! (clap 3 times)
