"The Alphabet Song"

a-b-c-d-e-f-g

h-i-j-k-l-m-n-o-p

q-r-s

t-u-v

W-x

y and z

Now I know my "ABCs",

Next time won't you sing with me

Early Literacy Tip:

Listening to music helps your child fine-tune their ability to pay attention to sounds and auditory details. Including music as part of everyday life helps your child build a valuable set of early literacy skills: hearing if sounds are same or different and learning to associate a sound with its source. These skills will help your child be prepared when they are asked to tune their ears to hear how certain letters sound and to associate those sounds with written letters.
